

GARY KNOWLTON

Living in Harmony with Nature in Sunland-Tujunga!

Renowned arborist and heritage oak tree expert, Gary will be showing how we can all nurture trees in our community while protecting our homes from wildfires!

There are steps all of us can take to make our homes much less vulnerable to wildfires while keeping our trees, plants, wildlife and ourselves thriving.

Let's not cut off the branch we are seated on, trees are our link to Life, Breath and Continuity.

Join us for this outstanding, life-saving presentation!
