4. Discussion / Possible action to appoint **Region 4 Representative**. Cindy said there are no applicants at this time.
5. **Discussion/Q&A with LAPD, LAFD, Elected Officials/Representatives, DONE, NC Budget Advocates, City Departments**
 - Nick Ferrari, LA Fire Department (FD). Lydia asked if there was any information about the trash can fire and noted we are starting the committee for Emergency Egress. Nick had no knowledge about the trash can fire, and commented they have been doing a lot of work for evacuation planning and there is a new program called Genesis that divides areas into zones they are partnering with the LAPD and Valley Bureau with. Nick said they would be willing to come in to a future meeting and also set up training, and will be in contact with Lydia. Lydia noted that our area has some areas inaccessible for fire trucks.
 - Officer Caloca, LAPD. Statistics for crimes are not available for this period of time, but Officer Caloca commented on local encampments, noting that vacant properties are enticements for homeless to move into, resulting in lengthy eviction processes. Please let her know if there are vacant properties. Other states have implemented laws for squatters but California has not. Jon asked what the criteria was for protecting squatters

and Caloca responded that it is showing evidence of living there (e.g. receiving mail, anything connecting the property to their name, etc.).

- Officer Godoy, LAPD. Statistics for crimes are not available for this period of time but commented on homeless situations. Park Rangers worked with the LAPD to remove people from Sunland Park who had moved in with a trailer. Pat Kramer asked about pedestrian accidents; Godoy doesn't have information but can get back to Pat. Pat asked if we can get the speed limit reduced on Foothill Blvd and Godoy commented that the DOT is responsible for doing this and he can get the phone numbers to Pat.
- Ricardo, Field Rep, Rodrigues Office. Ricardo commented on upcoming events at Hansen Dam and said that the Dept of Recreation and Parks is continuing their park assessment study. He will look into what can be done to reduce the speed on Foothill Blvd. Cindy asked about the Sanitation truck which was torched; Ricardo is looking into the cause at this time. Jon asked about impacts to Foothill Blvd because it is a state route; Ricardo responded that we do have to follow state laws.
- Alex Avanesyan, Field Representative at California State Assembly, gave an overview of bill status in the state legislature, including SB79, and said that there are exemptions for fire hazard severity zones. He noted that the Assembly has not voted on it on the floor yet and affirmed that Nick Schultz will attend a future meeting when Lydia inquired.
- Jose Galdamez, Neighborhood Empowerment Advocate (NEA), gave an overview of upcoming events including a Homeless Liaison meeting September 18 (6-9pm) with USC Homeless Policy Research Institute presenting a report and reminded people that they have to register for the event. Also the Congress of Neighborhoods will meet September 27th, and the Neighborhood Congress is coming up with parking provided. Jose commented about changes for the Board and encouraged people to contact him with questions. Lydia said we are having a Board Retreat on Sunday and will send a copy of agenda to Jose when completed. Victoria, Jon and Cindy commented about training status currency and Lydia said that she has completed the treasurer training.
