Sunland Tujunga Neighborhood Council
STNC Retreat
Minutes

July 14, 2025

1. **Welcoming remarks:**
 - a. Call to order- 12:10pm, at Caruso's Restaurant in Tujunga. Lydia Grant welcomed Board members that came.
 - b. Present: Mark Seigel, Cindy Cleghorn, Sherry McCoy, Melissa Sagastume, Barry Glovers, Vicky Cerpa, Dante Calvo, Karen Moran and Armen Mardirousi.
2. Lydia gave an overview of STNC including some historical information. Each person was encouraged to go around the table and introduce themselves, say why they joined STNC, what in particular they were interested in seeing STNC accomplish and sharing any personal information they wanted to about themselves. While the meeting included information about the workings of STNC and the relationship to the City, a primary goal was for the Board, including 5 new members, to get to know each other better. Meetings have primarily been virtual to this point and a face-to-face meeting was considered important to go forward and work as a team.
3. **Adjourn.** 1:45pm.
