 - c. Motion to OPPOSE and submit Community Impact Statement re: CF25-0930 - regarding options and amendment to require bike lanes to provide sufficient width for emergency vehicle access amendment. The initial motion was made by CM Heather Hutt and seconded by CM Tim Mcosker on August 13, 2025. The amendment was made by CM Hugo Soto-Martinez and CM Nithya Raman and seconded by CM Katy Yaroslavky. Our STAT committee unanimously approved a motion to be sent to the STNC board, that we do not feel it would be practical or safe for our community of Sunland-Tujunga to take this action because we already have limited space for traffic of two lanes in either direction due to bike lanes and parking lanes. We would not want to further restrict traffic moving along our High-Speed Roadway of Foothill Boulevard and Sunland Boulevard to make room for emergency vehicles in the existing bikes lane. We also believe that having emergency vehicles using the bike lanes would potentially cause injuries to bike riders who would be trapped between fast moving traffic and the curb if emergency vehicles were also in their lane.
