4. **Report on plan for Emergency Health and Safety Fair. Successes and areas to improve.**

Thirty One people successfully completed the Narcan training. We connected with several other community groups. The venue was great and the owner has offered that it be used for future events by the Council.

Suggested improvements:

- 1) We needed more booths, and
- 2) We needed more and earlier promotion to increase attendance.

The Chair thanks everyone who participated - especially Ed for assisting on last minute issues with the City.

5. **Discussion/Possible Action Community Acknowledgements for H&S Fair.**

Motion passed to produce and present a certificate or acknowledgement for the owner Hovsept for allowing us to use his facility.

6. **Discussion/Motion possible action - Historical Land Use Town Hall.**

Motion is to have a Historical Land Use/Land Use Development Town Hall. Also to invite the Knolls Canyon Town Group who have – development approved 15 years ago for single family homes. There is a group opposing the development. Combine two Town Halls. Date at end of April. 19th or 26th of April. Chris suggested that they are different meetings, don't combine them.

Lallah wanted to combine the Land Use Town Hall with a Town Hall about the Canyon Hills Development. Chris and Ed voiced opinion that these should be separate Town Halls

Motion passed to hold the Historic Land Use Town Hall in April and the Canyon Hills Development Town Hall in May.

7. **Meeting adjourned 6:55pm** (note: short meeting due to another STNC meeting scheduled for 7pm)
