Property Owner

RECEIVED JUL 27 2006

Subject: INSTALLATION OF AN ABOVE GROUND FACILITY (AGF)
City Reference No. 2006005689 / Adjacent to 7665 W. Heaven Mountain Way

Dear Property Owner,

Cingular Wireless is proposing to install an above ground facility (power meter pedestal) along the roadside within the public right-of-way near your property. The intent of this letter is to provide you with information regarding this proposal.

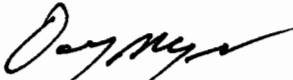

The proposed facility consists of a metal cabinet 16.25" x 17.25" x 48". We have enclosed a photo rendering and a site plan of the proposed installation for your review.

Cingular has filed a formal application with the City of Los Angeles Bureau of Engineering requesting approval of the City's Above Ground Facilities (AGF) Ordinance for this proposed facility. The City requires adjoining and abutting property owners to and adjoining and abutting property owners across the right-of-way from a proposed facility to be notified and given the opportunity to provide input on the application prior to making a determination. Please direct any comments to:

Dale Williams
City of Los Angeles
Bureau of Engineering – Central District
AGF Group
201 N Figueroa St., Ste. 750
Los Angeles CA, 90012
(213) 977-6066

In addition to contacting the Bureau of Engineering, you may also direct any questions or concerns you may have, prior to or during construction, to Doug Meyer at (805) 526-1141.

Respectfully,

Doug Meyer
Zoning Specialist
