

SUNLAND-TUJUNGA
BEAUTIFICATION
COMMITTEE MINUTES
9/28/15

1. 6:05PM Call to order by Chairperson Gail Carlson
2. Public Comment: Gerald Sherman discussed possible illegal dumping site location list we can compile and submit to various city agencies. Steve Black discussed outreach ideas for better community involvement with our beautification efforts, focusing on schools, scouts, other service volunteer groups, etc. Candace Laughlin shared a new poetry book written by Marlene Hitt Nelly Luboff discussed future meetings with store owners on clean up of their store fronts Gail Carlson shared results of meeting details with Councilman Felipe Fuentes on 9/17/15 and the items they discussed that surround the STNC Beautification committee's projects and future hopes to collaborate with the council office. Felipe gave no support in whom has our paperwork that must be made for an agreement about the DOT ART box project. Also our letter to Felipe was reviewed with him showing requests from our committee as follows: support for more frequent public trash can pick up on Foothill, more frequent street sweeping on Foothill, median weed cleaning on Foothill and Sunland Blvd. Mark Seigel shared that Felipe Fuentes has just called Mark to inform him the municipal city building, North Valley City Hall where the STNC has a working office, storage space, meeting auditorium and committee meetings would no longer be available. The building is being rekeyed by order of Councilman Fuentes. Felipe further stated that he was moving in a few new tenants which are non-profits that will take over the space that the STNC has been using.
