Re: address 6920 W Parsons Trail, Tujunga, Ca 91042

TO WHOM IT MAY CONCERN:

The Sunland-Tujunga Neighborhood Council (STNC) Land Use Committee (LUC) met with Vartan Issalyan, owner, on March 2, 2020 where Mr. Issalyan presented his proposal to add a horse barn on his property. In addition to Mr. Issalyan, his neighbors were also present and spoke in support of his plans. The STNC's Land Use Committee voted to support his plans as presented for permit compliance for the installation of a Pre-Fabricated, 1800 SF, 21 FT high horse Barn/Storage Building in the San Gabriel/Verdugo Mountains Scenic Preservation Specific Plan.

Upon recommendation of the Sunland-Tujunga Neighborhood Council (STNC) Land Use Committee at the March 11, 2020 meeting of the STNC General Board the board voted to submit this support letter. Looking at the area and the plans, it is felt the addition of this structure will not deter from the Scenic Preservation Specific Plan.

Thank you for the opportunity to submit these comments. Please let us know of any future hearings or updates on this proposal. If you have any questions, please contact us by email at secretary@stnc.org or by phone at 818-951-7411.

Sincerely,

Liliana Sanchez, President
Sunland-Tujunga Neighborhood Council
