I'd also like to add that her bullying behavior in the local Facebook groups is petty, immature, and flowing with uneducated misinformation and unjustified attacking.

I am writing to express my extreme opposition to the potential vote to allow Judith Quinones onto the STNC board due to video evidence of her using racial slurs and committing libel against many people who merely oppose her ignorantly dangerous socialist agenda.

Her organization, ABRA, is disgusting and hateful and i don't believe it's an official organization with LLC status. Regardless, this unhinged person has no business being in charge of anything, let alone anything to do with our neighborhood.

Thanks very much.
