

Discussion/possible action: CF 11-0002-S24 AB 1594 (Ting - Gipson - Ward) / Firearm Manufactures and Retailers / Non-Compliance Lawsuit / AB 1621 (Gipson) / Ghost Gun Regulations / AB 2571 (Bauer - Kahan) / Firearm Marketing to Minors Restrictions

The STNC is AGAINST this motion- The right to bear arms is guaranteed in the Second Amendment in the Bill of Rights. This motion only harms LAWFUL gun owners. Criminals have no problem obtaining guns regardless of laws. We are seeing the results of disarming the populace in the War in the Ukraine- where people have been disarmed by the government and now are fighting for their lives with whatever is at hand-

Discussion/possible action: CF 22-0002-S41 Homekey Program 2.0 / Homelessness Crisis / State Coronavirus Relief Fund / State General Fund / Funding Increase

The STNC is AGAINST UNLESS AMENDED.

“ While the upcoming budget that begins on July 1 is “balanced” according to Garcetti, it relies on an aggressive 8.5% increase (\$577 million) increase in continuing General Fund revenues. The Mayor is also raiding the Reserve Fund for \$105 million, forgetting that this fund is reserved for emergencies such as earthquakes or pandemics. He is also underfunding the City’s infrastructure and pension plans.” LA Watchdog, Apr 22.

Therefore, the STNC is AGAINST unless Amended. The people of Ca and especially Los Angeles are struggling under skyrocketing inflation and gas prices and some of the highest taxes in the nation.. Many have lost jobs due to governmental restrictions and mandates. This is NOT the time to be wantonly increasing funding- especially when there is lack of accountability from non profits funded by the City for the purpose of housing the homeless. It has been shown the City is literally GIVING tax payer owned properties to Non Profits which the non profit can then turn around and sell- and keep the money. This reckless tax and spend is driving taxpayers to other states merely for relief from all the taxation. There MUST be accountability for the taxpayers hard earned money- NON PROFITS should NOT be wantonly profiting off the people. Unless there is accountability by the City and non profits- the STNC is AGAINST this CF.

Discussion/possible action: CF 20-1575 regarding CF 22-0002-S61 2021-2022 State Legislative Program / Taxpayer Protection and Government Accountability Act

The STNC is AGAINST the resolution by the Mayor and the City Council to oppose the State Legislative CF 22-0002-S61

The STNC is AGAINST the City Council and the Mayor’s Resolution to oppose the State Legislation regarding Taxpayer protection and Government Accountability bill. Californians and especially Angelenos already pay some of the highest taxes in the nation. We now have skyrocketing inflation and doubled gas prices. The state and city mandates have crippled the lives of many of the residents. People are fleeing this state in order to have some relief from oppressive taxation. Yet, Mayor Garcetti and the City Council look to fund their spending spree on the backs of tax payers. We continue to see our city deteriorate with rising crime and

homelessness for which the residents have already been severely taxed. The idea that the Mayor and the City Council would be against tax payer protection and government accountability literally boggles the mind- The Government is accountable to the people. Something this City Council and Mayor seem to have forgotten-
